

## ICE/IStructE/ACED Annual Meeting

### Civil Engineering Skills for a Changing World

Tuesday 27<sup>th</sup> April 2010  
The Institution of Civil Engineers  
One Great George Street  
London SW1P 3AA

- 9.30 Registration and coffee
- 09.45 Welcome  
Professor Bob Lark (Chair, ACED)
- 10.00 Welcome to the ICE and overview of ICE related activities  
Professor Paul Jowitt (ICE President)

#### **Session 1 – Engineering our Future**

**Chair, Paul Jowitt (ICE President)**

- 10.20 – 10.40 Design - Mr Michael Cook (Buro Happold)
- 10.40 – 11.00 Construction - Mr Robert Dunn (Skanska)
- 11.0 Discussion
- 11.20 – 11.40 Coffee
- 11.40 – 12.00 Overview of IStructE related activities – Mr. Norman Train (IStructE President)

#### **Session 2 – Learning for Engineers**

**Chair, Norman Train (IStructE President)**

- 12.00 – 12.20 Design – Professor Richard Simons (UCL)
- 12.20 – 12.40 Engineering Project Management – Professor Denise Bower (Leeds University)
- 12.40 Discussion
- 13.00 – 14.00 Lunch

### ***Session 3 – Learning Outcomes in this Changing World***

#### **Chair, Professor Barry Clarke (University of Leeds)**

- 14.0 – 14.10 General Introduction to highlight issues facing the JBM in these areas – Professor Gerry Parke, (University of Surrey, Chairman of the JBM)
- 14.10 Introduction to Break out sessions Professor Barry Clarke (University of Leeds)
- 14.20 –15.30 Breakout sessions
- Groups will be asked to consider the following areas: - what are the questions we should be asking students in relation to sustainability/climate change/H&S and risk management/design and what evidence should Universities provide to demonstrate that these areas are being addressed.
- 15.30 – 15.45 Tea break
- 15.45 – 16.15 Feedback from groups and discussion
- 16.15 – 16.30 Overview and further action
- 16.30 Depart
