

## List of Accredited Further Learning Schemes for Incorporated Engineer

The following schemes provide Further Learning for an Incorporated Engineer for holders of an approved/accredited HNC/D or a Foundation Degree (see separate JBM listing for a list of courses).

Graduates with a non-accredited qualification that enrol to take a Further Learning programme and wish to know if their package of qualifications will satisfy the educational base for an Incorporated Engineer must have their qualifications verified by the Individual Case Committee of the JBM member Institutions.
