

February 2024

List of Accredited Bachelors (Hons) Degrees

The degrees listed below have been accredited by the Joint Board of Moderators (JBM) comprising of the Institution of Civil Engineers, Institution of Structural Engineers, Chartered Institution of Highways & Transportation Engineers, the Institute of Highway Engineers, and the Permanent Way Institution on behalf of the Engineering Council.

Graduates from these programmes will:

1. Fully meet the academic requirement for registration as an Incorporated Engineer (IEng).
2. Partially meet the academic requirement for registration as a Chartered Engineer (CEng). Candidates must hold a masters or doctorate accredited as Further Learning for CEng to hold accredited qualifications for CEng registration.

For further information and details of Further Learning programmes for CEng. Please refer to other documentation available on the JBM website www.jbm.org.uk

Courses marked with an asterisk (*) will need to be topped up with a period of Further Learning after graduation, in order to meet the academic requirement for Chartered Engineer registration. This further learning can be achieved in a combination of ways – full or part-time in Higher Education, distance learning or work-based learning. The intake years from which graduates will be required to complete Further Learning is shown in the table.

Mode of Course

DL	= Distance Learning	FT	= Full Time
PT	= Part Time	S	= Sandwich

The years shown in the listings are the inclusive intake periods for which these courses are accredited.

Degrees are only accredited at Third Class Honours and above.

Please note that in some cases, accreditation beyond 2022 might be pending. Please contact the JBM Secretariat at jbm@ice.org.uk for further information. ^{1 2}

¹ Where an intake year has not been extended, this will usually be because the University no longer offers civil engineering courses

² Accreditation periods since 1999 are shown below. Historical data on all accreditation activities is held at the ICE, IStructE, IHE, CIHT and PWI and you should contact the Institutions directly if you have any queries.

Educational Establishment & Intakes Year(s)	Course Title	Course Length	Mode	CEng	Only CEng when accompanied with accredited CEng Further Learning
University of Aberdeen 1999 – 2024 1999 – 2014	BEng (Hons)				
	Engineering (Civil)*	4 years	FT	1999 intake for all listed courses	2000 – 2024
	Engineering (Civil and Environmental)*	4 years	FT		2000 – 2014
	Engineering (Civil and Structural)*	4 years	FT		
	Engineering (Civil with European Studies)*	4 years	FT		
Engineering (Civil with Management)*	4 years	FT			
University of Abertay Dundee 1999 – 2000 2016 – 2027	BEng (Hons)				
	Civil Engineering	4 years	S	1999 – 2000	2016 – 2027
	Civil and Environmental Engineering*	4 years	FT		
Anglia Ruskin University 2012 – 2027 2012 – 2021	BEng (Hons)				
	Civil Engineering*	3 years 4 years 6 years	FT SW PT		2012 – 2027 2012 – 2021
Aston University 1999 – 2002	BEng (Hons)				
	Civil Engineering	3 years 4 years	FT S	1999 – 2002 for all listed courses	
	Civil Engineering (STEPS)	4 years 5 years	FT S		

University of Bath	BEng (Hons)				
1999 – 2026	Civil Engineering*	4 years 3 years	S FT	1999 – 2000	2001 – 2026
2022 – 2026	Structural and Architectural Engineering*	4 years 3 years	S FT		2022 – 2026
Queen’s University, Belfast	BEng (Hons)				
1999 – 2028	Civil Engineering* Civil Engineering with Year in Industry*	3 years 4 years	FT S	1999	2000 – 2028
2019 – 2028	Civil Engineering (with International Year 1)*	3 years	FT		2019 – 2028
1999 – 2001	Architectural Engineering*	3 years 4 years	FT S	1999	2000 – 2001
2023 – 2028	Civil Engineering with International Foundation Year* Civil Engineering Year in Industry with International Foundation Year*	4 years 5 years	FT S		2023 – 2028
University of Birmingham	BEng (Hons)				
1999 – 2027	Civil Engineering*	3 years	FT		1999 – 2027
	Civil Engineering with Foundation Year*	4 years	FT		
1999 – 2002	Civil Engineering with Environmental Management*	3 years	FT		1999 – 2002
	Civil Engineering with Language*	3 years	FT		1999 – 2002
	Civil Engineering with Computational Mechanics*	3 years	FT		1999 – 2002

2001 – 2004	Computer Science and Civil Engineering*	3 years	FT		2001 – 2004
2002 – 2016	Civil Engineering with Business Management*	3 years	FT		2002 – 2016
2007 – 2016	Civil and Energy Engineering*	3 years	FT		2007 – 2016
2014 – 2027	Civil and Railway Engineering*	3 years	FT		2014 – 2027
2017 – 2027	Civil Engineering with Industrial Year*	4 years	FT		2017 – 2027
2017 – 2027	Civil and Railway Engineering with Industrial Year*	4 years	FT		2017 – 2027
Birmingham City University
